The 1st World Voice E-Competition "Napolinova" 2020 is created with the goal of giving young an outlet for their creativity, at a difficult time. The pandemic has forced all of us to stay at home, and to cancel our concerts, festivals and live competitions. Young artists continue to work hard, though, and we want to give them a chance to measure themselves and their progress. This Competition is organized by "Napolinova", a musical association engaged in the promotion of young artists through the creation of musical events for more than twenty years. Our jury members reside in different continents, but each is known worldwide. We will avail ourselves of their great experience and expertise, and ensure that the whole process is fair and transparent. The complete list of applicants will be made public. Each jury member's votes will be made public after the conclusion of the event. Winners will receive wide exposure through broadcasts, social media, and even live concerts, once they can be held safely again. Fifteen scholarship prize will be awarded. For each category, 50% of the application fees will be used for scholarship awards. The five prize-winners of each category will receive 30%, 25%, 20%, 15% and 10% of the scholarship total, respectively.

### **RULES**

**1)** 1st World Voice E-Competition is open to young musicians of any nationality. Applicants must submit links to video files uploaded on YouTube as "unlisted" (Chinese applicants can upload on YouKu, if they prefer). Videos must be recorded **after April 30th, 2020**, using only one fixed camera. The video with all pieces must be recorded in one take. Videos must be unedited. The repertoire is all free choice, but time limits must be respected. All may choose to apply to a higher category. Videos can be recorded with cell phones, if a camera is not available. At the beginning of registration it is obligatory to say "World Voice E-Competition".

Final results will come from arithmetic average of the scores. In case of ties, the highest and lowest vote will be eliminated. In case the tie persists, jury members will vote again for those tied candidates only - without knowing how the other jury members had scored them - but this time their vote will include decimals.

**7)** The final votes (obtained with arithmetic average) received by the first FIVE for each category will be published on Napolinova's website and Facebook page at the conclusion of the competition.

**8)** Each member of the jury will be asked to declare whether he has (or has had in the past twelve months) an ongoing relationship as teacher / student with one of the competitors. This jury member will not vote for this competitor.

At that time, contestants who don't win a prize can choose to make their videos public, instead of unlisted. Prize winners must make their videos public. All the participants who don't receive prizes will receive a certificate of participation.
